

EFPP Research Award Guidelines 2024/2025

The four sections of the EFPP – adult individual, child and adolescent, group, and psychoanalytic family and couple psychotherapy – are invited to participate and submit contributions for the EFPP Research Award

Organisation

1. The award will be given for publications in the field of psychoanalytic psychotherapy that deal with a research issue or are the product of concrete research in the psychoanalytic psychotherapeutic field. The submitted publication should be published or accepted for publication (maximum 2 years from when the application is received by the EFPP Board). We welcome methodological plurality as well as creative and innovative approaches.
2. The award will receive a monetary prize of €2000. The EFPP Research Award will be granted every second year during the EFPP Delegates Meeting. The recipient of the award is expected to present her or his paper to the Delegates.
3. Every researcher or research team can submit their results to the EFPP Administrative Secretary (Anne Sauer info@efpp.org) The EFPP Research Committee will decide in a blind review process upon the applications. After the acceptance of the proposal by the Board the applicant will be informed. It is mandatory that the award winner presents the research at the Delegates' Meeting. We welcome the publication of the research in the EFPP Review.

We are looking forward to finding out about your research.
